If so, you've come to the right place! Who wrote the slam poem "Cynthia"? For people who don't know (then why are you here anyway?), the poem titled Cynthia was composed by Schmidt, Jonah Hill's character in 22 Jump Street. It was meant to be a requiem for a young girl named Cynthia, who died from a drug overdose. Now, you might hate me for saying this, but the poem itself is not that good. It was created for comedic purposes after all. However, through Schmidt's excellent delivery, some might even find it profound. Whatever your opinion is, I'm sure you're here for the poem. So without further ado, I present to you: Cynthia by Schmidt from 22 Jump Street Yelling - Angry! Waving my hands a lot Specific point of view on things Cynthia — sin-THI-a Jesus died for our Cynthia's Jesus cried, runaway bride Julia Roberts, Julia ROB... hurts CYNTHIA Mmm Cynthia YOU'RE DEAD You are dead Here's the performance from the poet himself.So that's the slam poem Cynthia from 22 Jump Street. "22 Jump Street Slam Poetry" is one of the featured scene in the movie titled 22 Jump Street. The movie centred mostly on two buddy cops named Schmidt and Jenko who had been best friends since high school.Fun Fact: The Slam poetry 22 Jump street scene is one of the most watched scene in the movie, especially on YouTube and the least performing video has garnered 2.6million views. The two were sent as undercover to a college in order to find the supplier of a new drug. In the course of their investigation, they were able to enfold some characters, make new friends, find the moments to straighten their relationship and eventually complete their mission.The movie was specifically known for being hilarious, especially in the scenes that feature both main actors. But the Slam Poetry 22 Jump Street scene was actually set apart by viewers.The movie was directed by Phil Lord and Christopher Miller and written by Jonah Hill, Michael Bacall and many others.As said earlier, 22 Jump Street Slam Poetry is one of the featured scenes in the movie which had Schmidt performing a slam poetry on a stage. Prior to his performance, other characters had performed their "22 Jump Street" Slam poetry. Their performance were hilariously horrible however with one of the slam poetry performer repeating "Phil" and "pills" just to have a rhyme.Before Schmidt was able to perform the "Slam poetry 22 Jump Street", he had initially met with Maya. On a quest to try to impress her, in the course of that, he absentmindedly said that he also wrote a slam poetry for Cynthia and hope he could perform slam Poetry.Surprisingly, he did perform his own slam poetry and had a clapping ovation. Although the performance wasn't worth of one nor was it close to being recognized as slam poetry. Hence, we can say that "Slam poetry 22 jumpstreet" scene is specifically for the viewers.The lyrics of the Slam Poetry 22 Jump Street by Schmidt is provided below:"Slam poetry. Yelling. Angry. Waving my hands a lot. Specific point of view on things. Cynthia. Cyn-thi-a. Jesus died for our Cynthia's. Jesus cried. Runaway bride. Julia Roberts. Julia rob-hurts. Cynthia. The first time I ever had my poems read aloud was against my will.When I was young, I wrote in a secret code language that, while easy enough to crack if one wanted to, couldn't be read at first glance. I wanted to be able to write in public (read: at school) without having anyone read over my shoulder or see what I was writing. I used this language for notes to friends, but it quickly became the only way that I drafted poems, too: on a sheet of blue-lined looseleaf in an inscrutable language.Poetry was something secret. A private act brimming with the capital-T Truth of life and my innermost feelings. I was passionate about my work. I cared. And caring, as an adolescent (or at least as an adolescent coming of age in the 1990s), is deeply uncool. All the things that make for great poetry—vulnerability, big feelings, a dash of ego—require that one be seen. And as a weird, insecure, highly verbal Midwestern only child who was mostly certain that she was not human-ing correctly at all times, the last thing I wanted was to be seen.And so, when a cruel classmate plucked the first draft of a poem I'd written from my hands and ran to the front of my English classroom one day in 7th grade, my blood
